SEC. 90. Every proprietor, lessee, or occupant of any building, room, or premises, in which is conducted a soft-drink parlor, restaurant, hotel, lodging house, or other public place, shall keep the urinals and water-closets therein in a cleanly and sanitary condition; and shall keep in constant use in such urinals and water-closets a standard disinfectant.

SEC. 91. No water-closet or urinal shall be within or connected directly with any room where any meat, fish, poultry, fruit, berries, vegetables, milk, cream, market produce, or any other food supplies whatsoever, whether in their natural state or manufactured, are stored, kept, or offered for sale, unless the room in which such water-closet or urinal is situated shall have direct communication with the outside air and be separated from such room with a solid, tightly fitting door, equipped with an automatic closing device, and such door must be kept closed at all times except when in actual use for the purpose of ingress or egress.

**Bakeries and Confectioneries—Sanitary Regulation—Employees—Vehicles. (Ord. A-205, Apr. 10, 1916.)**

SEC. 54. Every place used as a bakery or confectionery shall be kept in a clean and sanitary condition as to its floors, side walls, ceilings, woodwork, fixtures, tools, machinery, pans, and utensils. All parts of the bakery or confectionery shall be adequately lighted at all times and shall be ventilated by means of windows and skylights or air shafts or air ducts, or mechanical apparatus, if necessary, so as to insure a free circulation of fresh air at all times. Such ventilating construction and equipment shall be of such character that a complete change of air in all parts of the bakery or confectionery may be made at least four times each hour: *Provided, however,* That it shall not be necessary to ventilate at such time or in such manner that the process of mixing or the rising of dough in any bakery shall of necessity be interfered with or prevented. No cellar or basement shall be used as a bakery or confectionery unless such cellar or basement shall have sufficient light and ventilation furnished from openings communicating directly with the outside air, or such artificial system or systems of light or ventilation as may be approved by the health officer.

SEC. 55. No person shall manufacture or offer for sale breadstuffs, cake, pastry, candy, confections, or other articles of food containing any substance which lowers, depreciates, or injuriously affects its quality, strength, purity, or wholesomeness; or containing any cheaper or inferior substances than it is represented to contain; or which is in imitation or sold under the name of any other article; or from which any valuable or necessary ingredient has been abstracted or omitted; or which is colored, coated, polished, powdered, or by any other means is made to appear of greater value than it is.

SEC. 56. Every bakery or confectionery shall be kept free from flies, and the openings thereof shall, from April 1 to December 1, be fitted with self-closing wire screen doors and wire window screens. Side walls and ceilings shall be smooth and shall be kept in good repair, and shall be kept well painted with oil paint, or lime washed or kalsomined, and all woodwork shall be kept well painted with oil paint.

SEC. 57. Every such bakery or confectionery shall be provided with adequate plumbing and drainage facilities, including well-ventilated water-closets and impermeable wash sinks on iron supports. No water-closet compartment shall be in or have direct communication with a bakery or confectionery, unless there is outside ventilation to such toilet room.

SEC. 58. No person shall sleep or live in any bakery or confectionery or in the room where flour or meal or sugar used in connection therewith, or the food products made therein are handled or stored. If any sleeping places are located on the same floor as the bakery or confectionery, they shall be well ventilated, dry, sanitary, and open to inspection. No domestic or household animals shall be permitted in a bakery or confectionery or place where flour or meal or sugar is stored in connection therewith.

SEC. 59. All workmen and employees while engaged in the manufacture or handling of bakery or confectionery products in a bakery or confectionery shall provide themselves with outer clothing of washable material, which shall be used for that purpose only. Such clothing shall at all times be kept clean.

SEC. 60. Cuspidors of impervious material shall be kept in all bakeries and confectioneries and shall be cleaned daily. No employee or other person shall spit or discharge any substance from the nose, mouth, or any part of the body on the floor or side walls of any bakery or confectionery or place where food products of such bakery or confectionery are stored.

SEC. 61. The smoking, snuffing, or chewing of tobacco in any bakery or confectionery is prohibited. Plain notices shall be posted in every bakery or confectionery forbidding any person to use tobacco or to spit on the floor of such bakery or confectionery.

SEC. 62. No person who has consumption, scrofula, or any venereal disease, or any contagious or infectious, or any communicable or loathsome skin disease shall work in any bakery or confectionery, and no owner, manager, or person in charge of any bakery or confectionery shall knowingly require, permit, or suffer such a person to be employed in such bakery or confectionery.

SEC. 63. All rooms for the storage of flour or meal or sugar for use in connection with any bakery or confectionery and rooms used for the storage of materials and food products in connection therewith, shall be so arranged that the shelves, cupboards, trays, troughs, bins, cases, and all other appliances for handling and storing the same can be easily removed and cleaned. If the floor of any such bakery or confectionery or room is below the adjacent street level, no such materials or products shall be stored nearer to such floor than 1 foot.

SEC. 64. Every bakery or confectionery shall be kept clean at all times and free from rats, mice, or vermin, and from all matter of infectious or contagious nature.

SEC. 65. No bakery or confectionery shall be located over or under or within 30 feet of any place or building where horses or cows or other domestic animals are housed or maintained, or where the processes of rendering, glue making, fertilizer making, or any other foul-smelling process is carried on.

SEC. 66. Operatives, employees, clerks, and all persons who handle the material from which food is prepared in any bakery or confectionery, or who handle the finished product thereof, shall, before beginning work and immediately after visiting a toilet or lavatory, wash their hands and arms thoroughly in clean water, and dry them on individual towels kept and maintained in a clean and sanitary condition for the use of each thereof. The use of a common towel in any bakery or confectionery is hereby prohibited.

SEC. 67. The health officer and his authorized deputies shall have the right at all times to enter to make such inspection and such record of the condition of any bakery or confectionery as they may deem necessary, and if such inspection shall disclose a lack of conformity with this ordinance, the health officer may require such changes, alterations or renovations as may be necessary to make such bakery or confectionery comply with the provisions of this ordinance.

SEC. 68. All vehicles from which any bakery or confectionery product is sold shall be kept in a clean condition, and all baskets, trays or other containers in which any of said products are conveyed through the streets shall be closely covered in a way to exclude dust, flies, and other sources of contamination.
